

## HOME MAKING.

Thank you for downloading the template.  
Now you can either:

\*Open the template in Photoshop, Illustrator or similar software, decorate and print.

Or:

\*Print out your template and write, draw, collage your design.

\*Build your house by cutting, folding and gluing.

\*Take a photo of your house in a special location.

\*Email your photo to me [esta@interim.org.uk](mailto:esta@interim.org.uk) along with your name as you'd like it to appear on the blog, and a link to your web site.

Visit <http://homemakingproject.blogspot.com/> regularly to spot your home!
